

Mid-Cape Immigrant Rights Coalition (MCIRC)
Thursday, February 26, 2026
7:00-8:00 PM
MEETING TOPIC: Mutual Aid

The topic of our next MCIRC meeting, Thursday, February 26, 2026, is to begin to form structures that fall under the umbrella of Mutual Aid designed to support our immigrant neighbors in need.

This action will meet two (2) focus goals of **MCIRC** committed to:

- Immigrant Individual/Family Needs
- Listening/Learning about the Needs/Resources of our Immigrant Communities

Mutual Aid structures have historically been formed during times when people's very survival was at risk. In recent history, during the COVID pandemic, Mutual Aid formations cropped up all across the globe to bring food, find ways to alleviate isolation, and share resources both in person and on virtual platforms.

In this current climate, our immigrant neighbors are experiencing another crisis and struggle for survival when they are afraid to come out of their homes for fear of being targeted, beaten, and detained by ICE.

Your participation will help us define and create a new way of living and working together, in solidarity, to meet survival needs and combat injustice, through collective action, and mutually supporting members of our community.
